Global Hospitality Solutions  
Suite 202, 1128 West Broadway Avenue  
Vancouver, BC V6H 1G5

Dear Denis;

On behalf of School District #36 (Surrey), and the Surrey School Meal Program, I would like to thank you for the Food Safety Refresher that you provided to our group on Wednesday, September 8, 2004.

I know that the group found your presentation engaging and informative. I was very pleased that you were able to engage them in lively and practical discussions about food safety in daily life as well as in their duties for the School Meal Program.

At the same time, I would like to thank you for kindly providing your programme at no charge to the school district. At your request, a tax receipt will be not created. However, I would like to recognize that your time and expertise was truly a donation-in-kind.

We are very grateful for your support of needy children who depend on the School Meal Program to have enough to eat so that they can concentrate on learning.

Yours truly,

Julie Stephenson, RD  
Food Services Manager
